Our past Travel Award Scheme awardees say of the scheme:

'I was very happily surprised with the easiness and how fast it was to apply. The Travel Award was very helpful since I am a Brazilian graduate student and the costs to travel to New York are very high'.  
Pedro Vasconcelos M. Amaral (2008).

'The money from the Travel Award went straight to pay my flight tickets. I am very proud to acknowledge the Travel Award in the paper that I presented at the Conference and to share with all my student colleagues the experience of being a member of the Regional Studies Association'. Pedro Vasconcelos M. Amaral (2008).

'Participation in this event provided me with an excellent opportunity to disseminate the findings of my ongoing PhD research [...]. I would like to express my gratitude for the RSA for its support without which my participation in the conference would not be possible" Marcin Dabrowski (2008)
