

## **About the Association**

The Regional Studies Association is a learned society interested in regional development, policy and research. The Association carries out a range of activities including:

- publishing a journal, newsletter and books;
- organising conferences and other meetings; and
- establishing and maintaining a branch and international section network.

It has an international membership of individuals, corporate organisations and students.

The Irish Branch was formed to provide a forum to discuss regional issues in Ireland.

Hi all,

Details of the location for the meeting next week. It will be in room 136.1 at DIT. We have used this room before. It's on the ground floor, to get there turn left in lobby at King's Inn St. entrance and go through doors. The room is on the right at the end of the corridor.
